Nonprofit grants available in Eveleth area
Interested groups must submit initial letters of intent by Feb. 15

EVELETH—The Eveleth Area Community Foundation Fund seeks nonprofits with project ideas for funding available through its spring grant round.

The fund supports projects in the arts, education, the environment, human services and community initiatives. Grants generally range from $500 to $5,000.

The first step in seeking a grant is submitting a letter of intent to apply, which briefly outlines the project idea. A letter of intent allows fund officials to review the idea and briefly communicate with the prospective grant applicant.

Letters of intent are due by 5 p.m. Feb. 15 and can be submitted to dsacomcommunityfoundation.com, the website of the Duluth Superior Area Community Foundation. Those who receive approval of their letters can then formally apply for a grant by 5 p.m. March 1, also through the website.

To be eligible to apply, groups must be charitable organizations under Section 501(c)(3) of the Internal Revenue Code, or classified under Section 170(c)(1) of the code, and be located in or provide services to residents of the Eveleth area.
