**How Can I Give?**

The Community Foundation accepts and encourages all types of giving – in time, through volunteering and in money.

**The Most Common Ways to Give Include:**

- **UNRESTRICTED GIFT:** A gift to our unrestricted endowment fund is a permanent investment that will help the Community Foundation address the community’s ever-changing needs.
- **OPERATING FUND:** A gift to our Community Foundation Operating Fund provides the resources necessary to grow the Fund as needed and fulfill its ongoing needs.
- **DESIGNATED FUND:** Choose to support an organization such as the Eveleth 4th of July Fund or help out with a scholarship fund.
- **DONOR ADVISED FUND:** Allows donors to take an active role in philanthropy by providing opportunities for the donor to make grants recommendations to charitable organizations.

**Benefits of Giving**

The Foundation brings people in the Eveleth-Gilbert area who require assistance together with people who are in a position to give. By partnering with us, you can experience giving that is:

- Permanent: Gifts to the Foundation benefit the community forever. Earnings on permanently endowed funds create charitable capital to improve the region’s quality of life.
- Flexible: We work with you one-on-one to fund what matters to you. Whether it is a particular field of interest, specific organization, scholarship or supporting the mission of the Community Foundation with an unrestricted gift—we’ll work with you to meet your giving goals.
- Simple: One gift with us can address multiple needs in our region—saving you time and money in investigating requests, monitoring programs and keeping records.

**As A Donor, You’ll Also Enjoy:**

- **Professional management:** The Community Foundation pools multiple gifts for investment purposes, providing sound investment management of your gift at minimal cost, while providing the greatest impact in your community both now and in the future.
- **Peace of mind:** Each year, we report to the community through our annual report.
- **Tax benefits:** As a public charity, donors enjoy the maximum tax advantages for income, capital gains, gift and estate tax purposes.
- **Anonymity:** While allowing us to acknowledge our donors’ generosity often inspires others to give, you can choose to give anonymously.

**A Proud Past, A Brighter Future**
This past year saw the addition of another scholarship to the EACF’s pool of funds dedicated to improving life in the Eveleth-Gilbert area. This year it is the Sally Ann Chos Scholarship Fund – for graduating seniors of EGHs who will pursue a career in education. Except for time away for college, Sally Ann Chos was a lifelong resident of Eveleth and a fixture in area elementary schools – filling a career teaching in McKinley, Nelle Shean and finally Franklin Elementary Schools. She was passionate about the value of education in McKinley, Nelle Shean and finally Franklin Elementary Schools. She was passionate about the value of education.

According to James and Anthony, “Sally Ann loved working with young children and was proud to be a citizen of Eveleth. She was always working to recognize the accomplishments of her pupils and this scholarship allows that to continue. Even though she’s gone, awards from this fund will forever be able to encourage and reward good work and solid effort.” The Chos Fund awarded its first scholarship in 2019 and Dawson Varda was selected as the first ever recipient.

Dawson is attending Bemidji State University with plans to go into education and – more particularly – coaching. Assuming he keeps his grades up and continues with an education major, he will receive another award next year.

Sally Ann passed away in 2016. They asked that the award work to foster another generation of committed teachers like Sally Ann. To that end, recipients of this two-year renewable scholarship must graduate from Eveleth-Gilbert High School and plan a career in education, and preferably elementary education.
