Two Harbors Public Library Fund Signing Event
The official signing ceremony for establishing a Two Harbors Public Library Fund with the Duluth Superior Area Community Foundation

Two Harbors Public Library, Two Harbors, MN (November 12th, 2019, at 6:00 pm) – The Two Harbors Public Library is establishing its own endowed fund under the umbrella of the Two Harbors Area Fund, in conjunction with the Duluth Superior Area Community Foundation (DSACF).

In celebration of this momentous occasion, the library is going to host a public signing event. The evening will consist of short speeches from both the Library Board of Trustees and the Friends of the Library, the official signing of the contract, and some free time for guests to speak with representatives from the two groups directly. There will be coffee and cookies available, and everyone is invited to explore the library and its many services and resources.

The Two Harbors Public Library began in 1896 as a tiny collection of books in a corner office, and has since expanded to an 8,000+ square foot institution with a physical collection of roughly 35,000 items, an expansive online collection, and regular public programming. Establishing this fund came about in part from reviewing the library’s past 100+ years of service, and looking forward to how the library can best keep serving its community for the next 100+ years.
