Nonprofit grants available in Two Harbors

Interested groups must submit initial letters of intent by Jan. 18

TWO HARBORS—The Two Harbors Area Fund and LaBounty Family Fund seek nonprofits with project ideas for funding available through its spring grant round.

The Two Harbors Area Fund supports projects in the arts, education, the environment, human services and community initiatives. Grants generally range from $500 to $5,000. The LaBounty Family Fund provides assistance to projects that promote public economic development in the Two Harbors area. Grants generally range from $1,000 to $15,000.

The first step is submitting a Letter of Intent (LOI) to apply, which briefly outlines the project idea. LOIs are due no later than 5 p.m. Jan. 18 and are submitted via the Duluth Superior Area Community Foundation's online portal. LOIs allow fund officials to review the idea and briefly communicate with the prospective grant applicant. Early LOI submissions are strongly encouraged.

Those who receive approval of their letters of intent can then formally apply for a grant, due by 5 p.m. February 1, also through the dsacommunityfoundation.com portal. Awards for selected organizations will be available about April 1st.

To be eligible to apply, groups must be charitable organizations under Section 501(c)(3) of the Internal Revenue Code, or classified under Section 170(c)(1) of the code, and be located in or provide services to residents of the area defined by the attendance area of Two Harbors High School.
